

VOCE

IN GIARDINO

Menu

Piazza della Scala has a new voice.

Housed in the historic buildings where the Gallerie d'Italia museum is located in the heart of the city of Milan, the VÒCE restaurant tells the story of a project that weaves together food, culture and art.

Aimo e Nadia, point of reference of Italian gourmet cuisine for over 50 years, has a cultural approach to food. Fabio Pisani and Alessandro Negrini, their heirs, bring their vision of Italian cuisine into the Gallerie d'Italia, interweaving it with the rich artistic proposal of the museum.

A menu that takes birth from the strong bond with the Italian territory and the close relationship with the many producers of excellent raw materials of our peninsula.

An enogastronomic and cultural experience whose ideal completion is a visit to the Gallerie d'Italia.

DEDICATED TO VOÙE

To tell you that I love you.

In a low voice, waiting for your answer, aloud.

Together.

With joy we decide to sing loudly, without caring about anything.

Without music, with music.

The voice of friendship, of a few, of everyone.

I, who do a wonderful job, I dedicate a sign that will always be, for you, my friendly voice.

Gavino Sanna
